**Re: Quendall Terminal Superfund Site**

Dear Ms. Priddy:

In response to the Request for Information dated May 29, 2009, enclosed please find four copies of a report of data collected by the Port of Seattle. The prior deadline of July 27 for response was extended. Also included is a copy of BNSF's environmental file regarding this matter. BNSF is researching property records for properties located adjacent to the Superfund Site, as reflected in the site description from Figure 1-2 of the Summary of Existing Information and Data Quarterly Report, dated April 2007, by Anchor Environmental, LLC.

Yours truly,

Pamela Nehring  
Senior General Attorney
